At Camp Simcha we work to make life more bearable for families with seriously ill children by providing bespoke practical and emotional support services. We always try to work collaboratively with other communal organisations and, in the last few years, we have been able to signpost some of our families who needed it to use the incredible service offered by Bedside Kosher. Their support is invaluable in offering delicious meals to those who need, complementing the crisis food that we provide for families.

We wish Bedside Kosher much success in their upcoming campaign.

Best wishes
